### Praise The Lord For: Our 32<sup>nd</sup> Annual Share-A-Thon

Share-A-Thon has always been a special time for our listeners and ourselves. It is through Share-A-Thon that God has provided for the needs of this ministry. However, it is also a time of celebration, where we and our listeners come together to celebrate our faith in our Lord Jesus Christ, and invite others to join us in the family of God, by faith, in His wonderful salvation.

We want to thank everyone who has pledged support over the next year. As of September 30, Our support total is \$72,285.00. We believe we are on track to reach our goal of \$85,000 by the end of October. Every Share-A-Thon has been unique. Looking back over the past few years, some of each one's uniqueness "jumped out" at me:

□ 2020-In the midst of the pandemic, we broke through our isolation to bring God's children together around the radio, Facebook, and YouTube for a much needed time of fellowship.

□ 2021-We celebrated our two new frequencies; 102.1 FM in Dallas and 104.9 FM in Newnan. Miraculously, in both locations, God gave us space on 300' towers giving us a much better than expected coverage area.

□ 2022-We had to work through an interference problem from another station affecting 102.1 FM. This was an expensive legal problem, but God supplied the funds and the guidance to settle the issue and protect our signal.

□ 2023-I developed COVID on the first day of the Share-A-Thon! Our Staff "stepped up to the plate", and did an excellent job. Once again, Romans 8:28 was proven to be true, and the Share-A-Thon was a great success. (The only downside was that I found out I was not needed nearly as much as I thought!)

□ 2024-This year we introduced our brand new App for iPhones and Android phones. It is a free download from your iPhone "App Store", or from Android's "Google Play" clear, crisp audio 24/7 with song titles, artists, a sleep timer, and other features.

Thank you to our Supporters, Volunteers, and Staff for making Share-A-Thon 2024 another great success!

Ken Johns,  
General Manager
