Praise the Lord For: God's Assurance Policy

Many years ago, I sold life insurance. Life insurance, or really death insurance, is not the easiest product to sell. Unlike a new house, car, refrigerator, dress, or rifle, you can't see it, hear it, touch it, feel it, or smell it. A person exchanges a small amount of money for...a piece of paper. However, that "piece of paper" guarantees a large benefit at a future date...while also bringing present benefits such as peace of mind and a sense of security. This allows the purchaser to enjoy today without worrying about tomorrow.

The Bible Plan of Salvation is much like this. You may be young, strong, healthy, and "seemingly" in control of your life today. However, there is coming a day when you will be old, weak, sick, and in need...or else there will come a day when life ends suddenly. The sense of control you have today is an illusion; there is a far greater power than yours that is directing your path. The question is whether you choose to deal with your need now or "hope" you have time to deal with it later.

God's "assurance policy" is available to see us through this life and on into eternity. The benefits of accepting His plan today are many. We become a part of the family of God with:

- God as our Father
- Jesus Christ as our Saviour, and future Bridegroom
- The Holy Spirit as our Comforter, Guide, Teacher, and Companion
- The Bible to shed light on our path day by day
- Many brothers and sisters to help us through life

With the Bible as our guidebook, and the Holy Spirit as our Guide, life begins to "come together" and make more sense. We see our priorities clearer. We begin to relax and sense a higher power at work in our lives. Our faith grows, and life truly becomes "sweeter as the days go by". And we walk into the unknown knowing that these present benefits are just a foretaste of what we will experience in eternity. What a deal! No life insurance policy ever delivered this kind of benefit!

Now, what is this Bible Way of salvation?

- Own your sinful, lost condition. Confess your sin; agree with God against your sin. Only then will you sincerely desire the deliverance Christ can give you from the burden of sin and the condemnation of separation from God in hell.
- Believe that Jesus is the Son of God, that He bore your sins to the Cross and paid for them with the blood He shed, and that He rose again the third day in triumph over sin and death.
- Accept Him as your own personal Saviour. Say "I do" to Him as a bride says "I do" to her bridegroom. Throw open the doors of your heart and invite Him to come in. Ask Him for the free gift of salvation He offers you. Romans 10:13 says, "For whosoever shall call upon the name of the Lord shall be saved."

Praise the Lord for God's Assurance Policy!!!

The Holiness of God

God's holiness stands as one of His most fundamental attributes, marking Him as uniquely pure and perfect, completely set apart from all creation and sin. Yet, when is the last time we have considered God's holiness?

This divine characteristic is vividly illustrated in Isaiah 6, where God reveals Himself as an active, living deity who exists above all creation, whose glory fills heaven, and before whom even angels cover their faces in reverence. This holy nature creates an inherent separation between us and God due to our sinful state. As the old hymn says, "The old account was large and growing everyday..." However, through Jesus Christ's sacrificial death, a path to reconciliation has been established, enabling you and me to approach God and be made holy through His righteousness. The implications of God's holiness extend into two crucial demands: the perfect holiness required for salvation, which comes only through Christ, and the practical holiness that should characterize our daily Christian living. This understanding challenges us to examine our lives, make conscious choices that honor God's character, and actively pursue holiness in our daily walk. The reality of serving a holy God should call us to deep reverence and a committed effort to reflect His holy nature in all aspects of our life. Would you consider God's holiness in how you live your life today?
