Church- Planting Missionaries in **TAIWAN**

Coming Soon

Ashley and I have some exciting news! Walz baby number three will be joining us, Lord willing, sometime around the end of February! We are excited, and so are our church friends here in Taiwan, about the newest member of our team. Ashley has found a hospital she likes, and her doctor has been very kind to her. It has been a blessing to hear from the new members of Candlestick already offering to help Ashley with many things before and after the baby makes her debut.

Truly, every situation in life is an opportunity to share Christ with someone. At one of Ashley's doctor visits, the doctor asked if we would like to know if they found anything wrong with the baby, in order to consider an abortion if needed. We were able to explain that no matter the situation, we would trust our good Creator and would not abort, even if something was wrong. She acted as if she had never heard such a thought in her life, which once again gave us the opportunity to share Jesus's love for our baby, for us, and even for her.

Please keep the baby and Ashley in your prayers as we continue to prepare for her arrival. If you have suggestions for a name, feel free to send them our way too!

New Profession!

For the past three months, a few new faces have started attending our church regularly. Of those new faces, a gentleman by the English name of Tony has been coming weekly and listening to the preaching of God's Word. When we first met Tony, he said that he thought he was a Christian because he believed there was a god, but after listening to the preaching, he wasn't sure anymore because the Bible said something different than what he thought. At that time, we encouraged him to keep coming, listening, and to let us know if he had any questions.

This past Sunday, we had the chance to sit down with Tony again. After a few minutes of chatting, Tony shared with us that he finally understood he personally was a sinner, and during our BBQ party last month, he asked Christ to forgive him of his sins and be his Savior! We are excited for Tony and have begun discussing with him when he would like to make his faith in Jesus public through believer's baptism. Please keep Tony in your prayers as his journey with Jesus has just begun.

Once again, if it weren't for your prayers, people like Tony might still be heading down a path that would separate him from Jesus for eternity. Thank you for praying and supporting us so we can continue telling the people of Taiwan about Jesus!

Adam, Ashley, Anna & Micah Walz.
