In December we celebrated Charlie's 19<sup>th</sup> birthday. We are thankful to God for his life. We are reminded of the heart surgery Charlie had 5 days after his birth. Now he is as tall as his father and the doctors have said there is no evidence of the surgery. We are thankful to God for his grace and mercy to all of our children.

We also enjoyed reading the many Christmas cards that were sent. Tammy puts them together in a tree shape as part of our Christmas decorations. Because many of you gave extra to us for Christmas, we were able to enjoy special times with our family. It has been 4 years since we have been able to be together with some of our family around Christmas time. Ashley was able to be home with us for a couple of weeks during Christmas before returning for her final semester of college. Thank you again for all the cards and gifts that were given to our family.

In January, Victoria was able to be with us for two weeks before returning to Bible college for her second semester. We were also able to be in our home church's missions conference. It was a special blessing to be with the people we served with long before we went to Mongolia.

Our partner and the church in Mongolia are doing well. Because of some difficulties with the power plants in Ulaanbaatar, there were multiple days where they went hours without power and water. Please continue to pray for the believers in Mongolia that they may continue to reach people with the gospel and that God would help them deal with the difficulties regarding the power outages.

We were able to find out from the doctors and test about Tammy seizures. Through the testing they were able to determine that the frontal lobe of the left side of her brain is misfiring and that is what is causing her seizures. They don't know what was the cause of the misfiring. Medication has been prescribed to try to keep the seizures from happening. We do thank you for your prayers and ask you to continue to pray as we navigate this issue.

If you are interested, we would be honored to report to our supporting churches. If you would like us to report please contact us and we will schedule a time. You can contact me through our email: [chuck@reachmongolia.org](mailto:chuck@reachmongolia.org) or my new phone number: (904) 200-4484.

Thank you again for your prayers and support.
