January 2025

Dear Pastors and Partners in Ministry,
Thank you for your faithful prayers and support.

Fruitful Year

We are so thankful for all that the Lord did this year. God has proven his faithfulness time and time again. Our family has seen God's protection and provision this year, and we are beyond grateful. Many souls have been saved, baptized, and added to a local church. To conclude the month, we saw a man named Eddie receive Christ as Savior during Saturday Soul-Winning. He has been baptized and faithful to the local church. We believe God wants to see many more like Eddie come to Christ this year! 2 Peter 3:9

Following The Lord's Leading

We are moving cities on January 23rd! The Lord has made it clear to us through a process of events and seeking His will that this is the next step for our family. We have learned so much and are very grateful for the veteran missionaries we served under during these last 20 months of ministry. We are excited to step out by faith and follow the Lord as we begin a new church in the city of **Mbombela**. This city currently has a great need for an independent Baptist church. It is the capital city of the Mpumalanga province with a population of over 800,000 people. Mbombela is about a 15 hour drive north from where we currently serve. Strategically located, this city is the very close to the border of Mozambique. This offers our family the opportunity to utilize both our Mozambican and South African visas while getting the appropriate medical care for our daughter Alaine. While proving difficult at times, the journey of serving the Lord in Africa with a special needs child has opened unique doors for our family. God has chosen to broaden our scope, and we will be focusing on church planting in the region of Southern Africa. The city of Mbombela is within a short drive of both Mozambique and the Kingdom of Eswatini. We believe this is the most strategic location for our family to effectively plant churches and follow the Lord's call. We are believing God for great things in the coming years!
