

# Wilkerson Family *To Mozambique*

Dear Pastors and Partners in Ministry,

January, 2025 Prayer Letter

Thank you for your faithful prayers and support.

## End of the Year Reflection

We pray that each one of you had a joyful Christmas and New Year season! We are so grateful to God for all He did in 2024. We are sure you can say the same, the Lord has been so faithful. We were thankful that Noah's parents, brother and cousin were able to come and visit us with their families. It allowed for a wonderful time together as a family. Noah's father pastors our sending church in Knoxville, TN while his brother Nate and cousin Matthew each serve as missionaries in West Africa. It was also a joy to have teammates and long time friends, the Clower's with us as well. We also took advantage of the various ministry opportunities here with several preachers available.

**Outreach and soul-winning, pulpit supply at various churches and time spent with bible college students all added to the beneficial time together.** Times like these offer a unique opportunity to offer thanksgiving to God for the privileged to serve Him together. The gospel has truly changed our lives! Our prayer is that it will do the same in the lives of those God allows us to minister.

## Language Progress

As you know, the first couple years of any new missionary is language and culture learning. At the moment, we are working diligently towards communicating clearly in Portuguese, Afrikaans and Sign Language. Seeking to learn 3 distinct languages during the same season of life is not a traditional path however, God has proven himself faithful and an ever present help. God is the one who created our daughter deaf with special needs, He is the one redirected our path toward a new field of people while also not ceasing to lift our desire to reach Mozambique with the gospel. **In simple words, He is in complete control and we are seeking to follow Him.** He has never let us down. Often we find ourselves living in Hebrews 4:16 and finding God's sufficient mercy.

## A New Name Written Down in Glory

This past Saturday Noah and 2 men in our church spent over an hour in the home of Sylvester sharing the gospel with him and his family. **Praise the Lord he repented of his sin and called on the Lord to save him.** His wife is expecting a baby next month. Please pray for him as he follows the Lord in baptism soon. Also pray for Elden, Shane, Curtis and Enrico that they would soon be saved.
