

Wilkerson Family *To Mozambique*

Dear Pastors and Partners in Ministry,

July 2025 Prayer Letter

Thank you for your faithful prayers and support.

Lord Give Me Your Heart For Souls

There is a song that continues to remain on our hearts entitled, "Lord Give Me Your Heart For Souls". The lyrics of this song stand as a constant reminder to set our affections on eternity. We ask for many things from the Lord however, we desire this to be a request that remains at the forefront of our hearts, "Lord take my heart I place it in Your hands, Lord break my heart if that's what's in your plans, whatever you have to do to take full control, please give me your heart for souls". **A set of brothers named Ayanda and Mzukisi have been on our hearts recently. On several occasions we have been able to sit down and explain the gospel to these two men who seem very hungry for truth.** They have yet to make a decision for the Lord but are understanding more and more. These brothers are a small representation of the millions all around us and you who live without the hope of Jesus. Would you join us in praying that the God of heaven will save sinners?

Young Adults

We love young adults ministry and believe our generation must be reached with the gospel. It helps that we are in this season ourselves :) **We had several at our house for night of fellowship, games, food and most importantly preaching!** We emphasize this particular group because it is such a vital time for anyone. As many of you know, the future is bright yet, time will quickly be gone for these young adults. Time is of the essence and our King is soon returning. Thank you for praying for this specific group of young people.

Short Medical Trip

As many of you know, we have been stateside for a few weeks. Alaine had several medical appointments in Atlanta, GA, concerning surgeries and procedures having to do with her cleft lip and palate repair. Along with that, she will have a week long assessment with the CHARGE center at the Cincinnati Children's Hospital. This is the only CHARGE clinic in the world and we have been on a year long wait list. This will be a huge answer to prayer as we navigate the complexities of her syndrome, especially as she gets older. We have enjoyed reporting to a couple churches as time allows as well. **We will return to Africa on the 3rd of August.**

Your Missionaries, Noah, Tristan, Logan, Alaine and Henley Wilkerson
