Dear Pastors and Partners in Ministry,
Thank you for your faithful prayers and support.

New Church Plant

The Lord allowed us to plant Liberty Baptist Church on June 7. We were thankful to have 35 in attendance on opening day. Several came simply to support the new work; however, some have continued to return. One man made a profession of faith following the service!

The Lord has also allowed us to minister at the local university, which has around 15,000 students. Several students have attended our services and Bible studies, five of whom have made professions of faith in Christ. We look forward to discipling these students as they follow the Lord. Many will return to their respective provinces after graduating, but we pray that the time we have with them will have an eternal impact. Please pray that the Lord will send families and other laborers to help with the church plant.

Evangelism Opportunities and Family Update

As a church, we have been faithfully soul-winning and evangelizing throughout the week. The response has been slower than we anticipated; however, it has still been a great joy. We have been praying for an area called "Mataffin". It is a large community with little to no gospel-preaching churches. Recently, a man from our church moved to this area, and we began evangelizing there. We look forward to seeing how the Lord will use this effort.

Our family is doing well by the grace of God. Logan is now five years old and full of energy. Alaine is making great progress through consistent therapy and is even beginning to sign! Henley is very sweet and is always full throttle ahead! We are thankful for the Lord's provision and protection during this pivotal season of life and ministry.

Your Missionaries, Noah, Tristan, Logan, Alaine and Henley Wilkerson
