MAY 2026

A Soul Saved!

We have a very exciting letter for you this month! For the past four or five months, Vision has started and led his own Bible study at a school. No one needed to have any church or Bible background to attend, and many times Vision would tell me that it seemed no one was really listening and that they would make fun of the Bible through their questions. That is, until a young lady in the group began to ask questions that seemed genuine.

Vision explained to me that one day after the Bible reading ended, MooTing (the girl's name) asked a question for clarification: "Is the Bible saying that if I have sinned against God even once, then I'm going to Hell?" After Vision showed her again what the Bible says in Romans 6:23, she blurted out, "Then I'm toast because I'm going to Hell!" After several more weeks of faithfully going to the school and reading the Bible, MooTing came to Vision after one of the devotions and told him, "I want to believe in Jesus."

Needless to say, we have been jumping up and down with Vision over this great victory that the Lord has won through Vision's testimony and faithfulness. Ashley and I are very proud of Vision and his heart for the Lord Jesus. Unlike many countries, Asia often requires a foundation of trust and friendship before people open up about spiritual matters. Through the power of the Holy Spirit within him, Vision has faithfully shared the gospel with every family member, friend, and close acquaintance he has. All have turned him down, and most have written him off, but he still picks up his cross every day and chooses to serve the Lord with gladness!

Please begin praying for this young lady, MooTing. She is 14 years old and can only come to church when her mother says it is okay, which is not often. She will have a difficult road ahead of her because she is the first Christian in her family, while the rest are Taoists and Buddhists. Please pray that the Lord will give her strength through the Holy Spirit each day as she grows in the knowledge of the Lord Jesus and begins producing the fruit of salvation. producing fruit of her salvation.

Here are some things you can be praying for:

- For Candlestick, that they would grow in their knowledge of the Lord and live in obedience to His Word.
- For MooTing in her new walk with Christ.
- For Tommy, PinRay, Mr. Yang, and Norman to be saved!

We are grateful for your faithfulness in praying for and supporting the work the Lord is doing in Taiwan. It is both humbling and joyful to think that Christ would allow us to have a part in His perfect plan. Without your help, people like MooTing might still not know of their sin and, more importantly, of a Savior who loves them and gave His life so that they might find theirs. God bless you!
