June 2026 Prayer Letter

It is with hearts of joy and gratitude to the Lord that we introduce you to the newest member of the Brazzell crew, Caspian Essex! Caspian was born at home on June 3rd at 4:55pm after just over an hour of labor. He weighed 9.45lbs and was 20.8 in. Mama and baby are both doing very well!

The past few weeks have been slow and sweet as we've welcomed Caspian into the family. We are all smitten with him! Knox is so happy to finally have a brother. So many prayers were answered during this pregnancy and birth. God is so good! During this time, several men in our church have stepped up to fill the pulpit and give me a break as I help Brettney recover and tend to the other children. This has been a blessing to see the men serve the Lord and our church family in this way.

We greatly appreciate all the prayers for our Permanent Residency. The application has been filed, and we are in the process of uploading documents as the government requests them. Please be in prayer that this will get approved quickly and without any complications!

There is a possibility that we have found a more permanent location for our church. Right now, I am working with city council to see if they are willing to zone the building for a church. We would appreciate prayers as it is a lot of paperwork to sort through. Our church family seems excited about the possibility and are willing to put in the work to see the space made into something we can use for meeting. This would open many opportunities for our church, but it would be a big step of faith. If it is God's will, we are ready to move forward. If not, we are content where we are and will trust Him to open another door in the future. Pray for clarity as we move forward as God opens His doors.

I have several upcoming opportunities to work with young men who desire to learn how to preach. This is near and dear to my heart- training the next generation of men. Praise the Lord for young Australian guys who have a heart to serve!

Our calendar is full through the end of the year, but there are many exciting things on the horizon. We are so grateful for your prayers and support!
