Subject: Church Planting Report, Jan-Apr 2026

Beloved Friends and Family,

And God made two great lights; the greater light to rule the day, and the lesser light to rule the night.

We rejoice to report that the Lord has answered your prayers for Brother Armando and the Baptist Church in Manoguayabo. Many will remember the leaking roof that made their rented space nearly unusable. The Lord provided — through your giving, the deposit was secured, and the church has moved into a new location that is small, but sound. Please pray for the Bible school planned for July 14–15, that many young people would be saved, and for the camp July 27–30.

Brother Oliver reports steady fruit in both Fantino and Quita Sueño. Ten came to Christ through house-to-house evangelism — among them Luis Fernando and his mother Inés, Gabriel, Catalina (83), and Juan Antonio (90). Fourteen more professed Christ during the Friendship Campaign, and 12 additional professions followed in a later outreach despite heavy flooding. Among those now walking with the Lord are Miguel and his wife María, around 75 and married over 50 years, whose lives have been visibly changed. Please pray for land in Fantino for a permanent church building, for Yogerbi and José Miguel as they strive to remain faithful, and for Brother Oliver's vehicle, which has needed costly repairs.

Brother Ricardo reports 107 professions of faith in a single month and continues serving in Quita Sueño and assisting in Barsequillo, while also teaching in the Bible seminary. Please pray for his family, for the youth, and for resolution of ongoing residency document difficulties. Brother Santo continues faithfully in El Carrizal. Despite rain, the people gather, and services remain steady. As he nears one year in this work, he asks prayer for provision of land and for a vehicle to support the ministry.

Your prayers are a great source of encouragement and strength to us — we thank the Lord God for you.

Sincerely,

Joshua Corner
