

Dear Friends and Faithful Supporters,
While our time in the United States
this summer is not a scheduled
furlough, the Lord has graciously
given our family a season of spiritual refreshment during an unexpected time of loss.

“Make His deeds known among his

Recently, my father went home to be with the Lord. Though we grieve his absence, we rejoice in the certainty of his presence with Christ. During the funeral service, the auditorium was nearly full, and when those present were asked who had come to Christ through my father's witness, approximately five-sixths of the congregation raised their hands. It was a remarkable testimony to a life spent faithfully sharing the Gospel.

My father himself came to Christ as a young man after receiving a Gospel tract from a stranger. After reading it, he repented of his sin and placed his faith in Jesus Christ. The Lord transformed his life and worked through him to change the course of our family. Today, all of his children and grandchildren know the Lord, and many are serving Christ in full-time ministry around the world.

As I reflected on the testimony of his life, I was reminded again that the greatest investment we can make is in the souls of men. During this season, the Lord has allowed me to lead several people to Christ and to witness to others whom He is drawing to Himself. The passing of my father has only strengthened my resolve to spend the remainder of my days proclaiming the Gospel.

The Scriptures have been a great comfort to our family during this time. We have found renewed strength in passages that remind us of the brevity of life and the certainty of eternity. "So teach us to number our days, that we may apply our hearts unto wisdom" (Psalm 90:12).

Lord willing, **we will return to Taiwan in early August** with a renewed sense of urgency for the work God has called us to do. The fields remain white unto harvest, and there is much work yet to be done.

Prayer request for remain the same, we are looking for a young lady to intern with us for this school year, assisting with homeschooling. This is paid position \$1k/mo plus living arrangements.

Second Mile Baptist Church is closing in on a property purchase. They've shown me pictures of an office building that looks promising. They currently have half of what is needed to make the purchase.

Finally, we are encouraging short term mission trips, and long term internships in Taiwan. Reach out to me for further details.

Thank you for your faithful prayers and support. We are deeply grateful for each of you.
