## Church Planting Missionaries to Peru

### Dear Pastor and Praying Partners,

We are thankful for another month of seeing God continue to work here in Peru. As we look back over the past several weeks, we are reminded again of God's faithfulness through the growth of His church, opportunities to proclaim the Gospel, and the privilege we have to serve Him alongside each of you through your prayers and support.

#### Redentor Update

At Redentor, we celebrated Semana Santa with several special gatherings focused on the death and resurrection of Christ. One of the highlights was seeing the children participate by singing a special song for the church. We also spent time together reflecting on who Jesus is to us personally, with many writing testimonies such as "my strength," "my Savior," "my protector," and "the One who saved my life." We concluded the week with a wonderful Resurrection Sunday service with more than 90 in attendance! We are grateful for the visitors who joined us and for the opportunity to clearly present the hope of the Gospel.

The opportunity for \$10,000 in matched funds toward the purchase of property for Redentor is still available. Please continue praying that God would provide the remaining funds needed so that we can move forward in making an offer on a property for the church. God has been so faithful, and we know that in His perfect time He will provide exactly what is needed.

#### El Salvador Update

El Salvador Baptist Church also had a wonderful Resurrection Sunday celebration. One of the greatest blessings was seeing five people follow the Lord in believers baptism. It is exciting to watch God continue growing and developing His church. Please pray for continued spiritual maturity and growth through faithful discipleship.

#### Family Update

As a family, we are deeply thankful for your prayers and faithful support. We recognize that we are only able to continue the work God has called us to because of the generosity and partnership of God's people. Thank you for investing in eternity and for standing with us as we seek to reach people with the Gospel here in Peru. Thank you again for praying for us, encouraging us, and faithfully partnering in the ministry. We are grateful for each of you!
