Dear Pastor & Friends,

I am pleased to update you on the Lord's work in the prisons over the past few months. I have accepted a position as OPS Chaplain at Holmes Correctional Institution in Florida and began this role at the beginning of February.

Everything is going amazingly well so far. I am currently learning the facility's computer system, which was developed in the early 1980s and operates similarly to the old DOS system.

I have had the opportunity to preach a church service, visit confinement weekly, and have taken the lead over the Faith and Character Program dorm. I have implemented necessary changes to bring the dorm into compliance with policies and establish a dignity-based program. This includes establishing a "no cuss zone" for officers and inmates in the Faith dorm and Chapel.

I am also initiating a Phase 2 program, offering inmates the chance to retake the program with new classes. To complete each phase, inmates must finish 1220 hours of programming. My prayer is that the Faith dorm will lead by example and demonstrate how the compound should operate.

I invite you to join me in prayer as the Lord continues to direct our efforts at Holmes CI. I am excited about this opportunity and confident that this is where I am meant to be.

Please send all support to Matthew New, PO Box 123 Villa Rica, GA 30180, or to Truth Baptist Church, 1097 Bell Road Bremen, GA 30110. Please write Matthew New in the memo area of the check.

Press On!
