MISSIONARY TO CHILE

Dear Pastors, Partners, and Praying Friends,

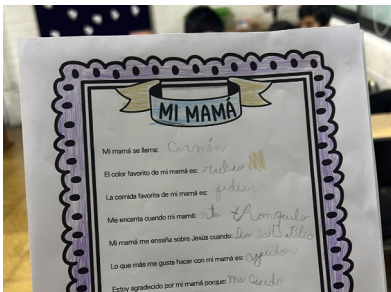

June 2026

This past month:

Thank you for praying for our Mother's Day Evangelistic Sunday! **We had a wonderful day at Liberty Baptist, honoring 16 mothers from the church and community.** In his sermon, Pastor Felipe challenged the moms not only to care for their families' needs but also to prioritize care for their relationships with the Lord. It was a poignant and moving reminder for moms who do so much. I coordinated a special breakfast, gifts, and a presentation from the kids' class with certificates they awarded to their own mothers.

Since the beginning of the year, we've had a grandmother from Venezuela who has faithfully brought her 4 grandchildren to church. As I've gotten to know these kids in my Thursday night class, it's clear that they are not growing up in a Christian home. When we were filling out the Mother's Day certificates, one question they had to fill in was: What have I learned about Jesus from my mom? One of the kids told me he hadn't learned anything about Jesus from his mom, while his older sister defensively said, "We have! We learn about Jesus on Thursdays and Sundays!" naming the two days they come to church. **Pray for these kids' salvation and for the truths they're learning each week to take root in their hearts.**

At the beginning of the month, I began discipling a 23-year-old young lady named Andrea. She and her family first came to Liberty Baptist Church at the start of the new year. While Andrea has grown up in a Christian home, she struggled with doubts, didn't put her faith in Jesus until her late teens, and hasn't been disciplined. **It has been encouraging to get together with her every week and to challenge her thinking with God's Word.** Please pray with me for Andrea's continued growth and faithfulness.

This coming month:

We will have an evangelistic Father's Day Sunday, a young ladies' meeting at my home, and a general ladies' meeting. Pray for the Lord to bless these activities, that the church members would be encouraged and more people would put their faith in Jesus.

Thank you, as always, for your faithful investment in God's work in Chile. Your partnership truly helps make this ministry possible. May the Lord richly bless you as you continue to serve Him right where He has placed you.
