

Dear pastors and praying friends,

Thank you so much for all you do for the Lord and world missions. It is an honor to be able to serve here in Chile, and it is hard to believe that June marks 3 years on the field. We thank the Lord for His hand on our life and ministry here.

Building update

PRAISE THE LORD we have signed a promissory contract of sale for the house we are buying to convert into a church. This means we are legally obligated to buy and they are legally obligated to sell. July 12th is the date the government has said the last document we need will be handed over to us, so please pray for that.

We have the money for the building in hand, but now we need to remodel, because the house is not ready to be a church building yet. Several walls need to come down, support beams installed, and the fuse box relocated, as well as LOTS of paint- the main structure is violent fuchsia inside, for example. We need about 25,000 dollars for this project, so please pray for that process and the Lord's provision. **We need another 6,000 dollars as a downpayment for the construction crew to start working, so that is a rather urgent need as well.**

If you would like to give and help towards the construction costs, you can send an offering to:

(Please make all checks payable to Vision Baptist Missions and include "Shreve Building Fund" in the memo.)

Leader training

Marcos and Sandra have been a blessing since they started attending the church a year ago. His 10 year old daughter was saved at the church last year, and they have really found a new love for the Lord and His Word. I think there is a lot that God could do with marcos and I have been praying for him. This week he told me that he feels that he would be willing to take on more pastoral work, provided I help him with learning that. This is an amazing answer to prayer, so please pray for us as we work to that end. Just today we were working on how to develop a message, and Sunday morning, he will be giving an offering devotion that he/we worked on together from scratch.

Visitors and growth

God has blessed us greatly in the areas of visitors, and we have had several new families, both saved and looking for a church, and lost, and looking for the Lord, to visit. We are working to follow up, evangelize, disciple, and integrate them. Especially pray for Ana, Luis, and Giselle, as they are all unsaved folk who are attending.

Thank you so much for your prayers. We are honored to be chosen by the Lord to have a part in such an eternally important work.

God bless.
