

The Turner Family

Missionaries to West Africa

May Prayer Letter 2026

Ordination Service

We have been greatly blessed throughout the past month. One of the most significant milestones was **Michael's ordination into the ministry**. The service became especially memorable when a storm caused a power outage. Despite the unexpected circumstances, the service continued, and God richly blessed the evening. It was a meaningful and encouraging time of worship, fellowship, and celebration, and we are grateful for His faithfulness and provision.

Visa Update

We would like to share an update with those who have been faithfully praying on our behalf. We are grateful to report that **our daughters have been granted three-month visas for entry into Burkina Faso**.

This answer to prayer is especially meaningful given the challenges surrounding travel to Burkina Faso in recent months. Due to ongoing political circumstances, we were repeatedly told that obtaining visas and gaining entry would be unlikely. However, the Lord graciously opened the necessary doors and provided a way forward when none seemed possible.

We are deeply thankful for God's faithfulness throughout this process and are reminded once again that He is able to accomplish what often appears impossible from a human perspective. Thank you for your continued prayers and encouragement as we follow His leading.

Tickets Purchased!!!

Since receiving our daughters' visas, **we have been able to purchase our airline tickets, and we are excited to share that we are scheduled to depart for Burkina Faso on August 11.**

As our departure date draws near, we would greatly appreciate your continued prayers for our family. Please pray that the Lord will guide us as we complete the many final preparations in the coming weeks and that He will provide wisdom, strength, and peace throughout this transition. We are grateful for your faithful support and encouragement as we prepare to begin this next chapter of ministry.

**Your missionaries,
The Turners to West Africa**

Praises:

1. Visas Accepted
2. Plane Tickets Purchased
3. We have reached 80% support

Prayer Requests:

1. Set up fund
2. Our families as we get ready to leave
3. People of West Africa

80%
