Pastors and Praying Friends,

Greeting from Thailand where the days are hot and the air is hazy. We are in the hottest part of the year in Thailand with daily temperatures topping 100 every day. We are mostly healthy besides the seasonal sickies. Jessi's health seems to be improving, but the doctors cannot pinpoint is causing her symptoms. Please pray that God could give her full strength.

A few months ago, we started a new outreach ministry in the village where we live. It has grown and now we regularly have over thirty kids coming to learn English, sing Bible songs, and hear Bible stories. We ask you to pray especially for Boy and Naan, the family that is hosting these events every Saturday. They have visited our church services and have been asking questions about the Bible. They are well known in our community, so coming to Christ is a very difficult decision. God can open their hearts if you will pray.

Joanna and David will be making a short trip to the States to help Joanna relocate and prepare for college. Circumstances determine that we do not have much time before Joanna turns 19. This trip is costing us over \$5000. That is a very uncomfortable amount of money to spend giving the current world climate. We know that God will provide. We would love to see all of you, but our time is limited. I still have a few dates that we will be in the Memphis, TN area and Northeastern Missouri. If you really want us to make a personal visit, please reach out to me and we will do our best.

Life is bringing us some major changes in letting our firstborn fly the coop. We are nervous, but we believe that Joanna will go on to do great things for God. Please pray for this transition in her life.

We thank you that you are faithful to mention our names before the throne of grace. When the going gets tough, we push on that fruit might abound to your accounts.

We can never thank you enough for your faithful prayers and support,

David, Jessica, Joanna, Lilian, John, and Judson Vickers
