BIBLES LOADED FOR INDIA AT SCRIPTURE CONFERENCE

What a blessing to load 38,000 Scriptures for India
with Pastors from all over our Nation AND Missionary
B. Isaac at our Bible Barn Open House!

This precious family serving the Lord in India for three generations now is very dear to our home Church, Victory Baptist. We were very honored to have them here as we loaded the Kannada and English Scriptures for their ministry. India is eighty percent Hindu, and fifteen percent Muslim, so the need is great as they are sharing the Gospel. Bro. Isaac kept mentioning the very strong hunger for the Word of God that his people have. Every container BLMF is enabled to load is an answer to prayer for our missionaries on the foreign field. Finally, they have a way to put the Holy Word of God in many, many hands and homes. Imagine the difference in evangelism and spiritual growth for their Church members! Glory to God!

Kenya Container On The Way!

Missionary R.G. Smith was here with us to help load his shipping container of 46,000 Scriptures to distribute in the Kenya, Africa area!

**EIGHTEEN LANGUAGES PRINTED
AND SHIPPED TO EIGHTEEN
COUNTRIES ALREADY IN 2023!**

THIS COULD BE A PRODUCTION-BREAKING YEAR! Please pray for God's hand of provision.

With twenty-five containers already shipped, BLMF should have a record-setting year as we have two or three more containers to send this year. We are thrilled to be printing more Croatian Bibles for Missionary Johnny Leslie, (pictured with his wife, Tori). Also on the schedule is a container for the Philippines. Your faithful support has allowed this ministry to do great things for the glory of God in 2023! Please continue to pray for His blessings.

GOD'S GREAT COMPANY OF BIBLE PUBLISHERS NOW ENLISTING

This ministry, our Pastor, our Church, and the entire BLMF team are incredibly thankful for all you do to help us print and distribute the Pure Word of God globally! We would ask you to pray about helping us do EVEN MORE for the cause of Christ this year. As the Lord has blessed us with a second web press, we now have the capability of dramatically increasing our production. If we could get three thousand Churches and/or individuals to sponsor just one roll of paper annually, we would be able to run both presses eight hours a day, five days a week. When you join this "Company of Bible Publishers" project, we will provide a beautiful lapel pin and certificate as a reminder of the amazing results of your investment. \$1,025 is approximately \$85 monthly (above your regular support), and your Church or family will be responsible for providing an additional 500 Bibles for souls in need each year! (Please write ROLL PAPER: \$85 on your check's memo, and call or email for any questions or to make your pledge. (931) 684-0304...officeblmf@bellsouth.net)
