Dear Friends and Prayer Partners,

Greetings In the mighty name of our Lord and Savior, Jesus Christ. I am truly grateful for your unwavering support and prayers for what we're doing in the Philippines. We give thanks to God for His mercy and grace throughout the last few weeks. 243 hygiene kits were given to our jail ministry. Every inmate received a hygiene kit, which made them happy and grateful because it was great help to them. And we give thanks to God for using His people to meet the needs of the inmates. My heart's desire is for them to grow spiritually and also help them with their basic needs. Let us pray that God would always provide the means to get these inmates to their basic needs. Because, as I talked to the chief in charge or the warden, the funds that are given by our government is not enough to meet these inmates basic needs.

We had a family banquet the last week of February. I ask every church member to extend the invitation to their family to attend our family banquet. We praised the Lord because we have eight visitors and we are able to share the word of God with them. We enjoy the fellowship, singing, games, and most importantly hearing the word of God.

Our children's meal center is another blessing. Every Saturday, after we teach them we feed them. They are excited and attentive to their teachers to hear some Bible stories and memory verses. And some of them are now teenagers, and they regularly attend our worship service every Sunday. I'm hoping and praying that these kids will serve the Lord.

As of now we are praying the land beside our church for the expansion of our ministry. We are praying that someday we can build a multipurpose hall.

Thank you so much again for your prayers and support. May God Bless you all.
