Month in Review

What a great first month we had to start off 2024! While it had a few bumps, we are thankful for another month to serve the Lord. Most of the month we were preparing for youth camp. At Iglesia Bautista Victoria in Rosario, we got to see three young people baptized. Iglesia Bautista Fe in Pergamino had their first baptism in January! We are very excited for these people as they have been very active serving in the church and growing in Christ. I ask that you please be praying for them. It is exciting to see the Lord growing churches.

Youth Camp 2024

Over 100 people came to youth camp this year. They all heard very clear presentations of the Gospel and teachings on a Christian's walk with God. We got to help with counseling, food preparation, music, and running errands. We ask you to please be praying for all that heard the messages and made professions of faith and other decisions to serve the Lord. Thank you so much for your prayers!
