We are praising the Lord for many exciting answers to prayer over the past few months!

-At the end of January, we celebrated one year of being in Australia! They say time flies when you're having fun. It's true! The past year has went by so fast, but it has been full of answered prayers and God's unfailing goodness. We have seen our family and our ministry grow in many different ways.

-God has blessed us with another daughter, Flora Quinn. Her birth wound up having some unexpected complications which made us have to do a last minute hospital transfer. After a very difficult labor, she was born the morning of January 2nd. There were some scary moments, but God took care of us each step of the way. We are thankful for a healthy ma-ma and baby!

-We received our approved FBI documents just in time! All of the requested paperwork has been submitted for the approval of our employment visa. We should hear a response from the Australian government in March.

-God is growing Living Waters Baptist Church! We have a lady who has been with us from our very first service, and since the new year, we have added two families! This has been such a blessing. With the extra help, we have been able to pass out 15,000 tracts to homes all over Parramatta. This week, we started holding Wednesday evening Bible study in our home. Thank you to those who have been praying for more children attending our Kid's Club. One of the families that have been attending have two children around the age of our oldest. Our kids have loved having friends at church!

-Brettnay and the kids kicked off their new home schooling year (in AU, the school year follows the calendar year). Eden is in year 2, and Knox is in K5. Ivy, Willow, and Flora are along for the ride! Our children love to learn which keeps our home full of fun facts and interesting discussions!

-Our sponsoring church, Nepean Baptist Church, celebrated their 50th anniversary. God was in every detail when He worked the details out of partnering us with Nepean. It has been so helpful for us to have their friendship and support. To the ends of the earth, God always has a faithful remnant who are serving Him!

It is a joy to share these specific answers to specific prayers! Thank you for praying for us!
