

Serving the Dominican Republic
John 3:7 "Ye must be born again"

Subject: End of Year Report: 2023

Beloved Friends and Family,

Praise the Lord for a year of abundant blessings in the Dominican Republic (DR)! In Fantino, Manoguayabo, and Barsequillo, we've seen the gospel flourish. In Fantino, up to 64 believers have gathered, with 27 first time visitors and 10 who confessed Christ as their personal Savior. The Summer Bible School in Manoguayabo was a resounding success, touching over 300 children's lives, with more than 100 accepting Christ. The church plant there, now relocated to a main road, looks forward to a greater influence.

The outreach in the schools of Fantino is a testament to God's work, reaching over 500 students. The upcoming year promises even more, with access to 18 more schools. The Bible Camp in Fantino was equally blessed, impacting over 100 children, and we rejoice in the hearts who turned to Jesus Christ. The northern church plant's 2-day event was also a highlight, with 56 souls embracing Jesus as Lord.

Brother Oliver is stepping into a greater role, having been appointed co-pastor of Monte Calvario Baptist Church—his sending church. This decision, made amidst the current pastor's health concerns and through prayer, expands his entry to both Fantino and the capital. As he balances these increased responsibilities, we ask for your prayers for wisdom and strength, and to meet the growing ministry needs.

Please remain fervent in prayer for Brother Oliver, Brother Armando's increased financial needs, Brother Ricardo's outreach in Barsequillo and Brother Delmiro's in Quita Sueño. Please pray for these visitors: JUAN PABLO, ROGELIO, CRISTOFER, YANISBEL, VILA, WOSLIN, KATRINA, LISLIN, SIDBLANK, OLIVIER, VEDTRINA, SONLEY, TUNAGA, KATY, LENNY, JAMILET, JOANNY, MOISES, SCARLET, LUILENA, SHEILA, NEICA, YUBEL, MERELI, MELANI, KIARS, and BRAHON.

Thanks for your steadfast support and prayers for the furtherance of God's kingdom in the DR. Hallelujah.

Sincerely,
