Frontier Baptist Mission

"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." 11 Tim. 2:2

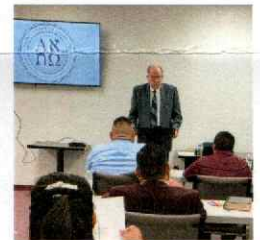

Fall 2023

Thank you for allowing us to be your missionaries! Your faithful prayers and financial support have enabled us to walk through many doors of opportunity that the Lord has opened for us. We are grateful for the blessing to serve.

August we started Seminary classes back two Module courses! This is the first time we offered a both an English and Spanish module course at the same time. Dr. Howell taught in English and Dr. Barbosa taught in Spanish. These classes are also always recorded and sent to our many extensions around the world. Please pray for this vital ministry that sound new churches could be planted!

September I was invited to preach the Ordination service of one of the students. What a blessing to see this young new family start a work and reach souls for Christ! I was also privileged to preach the first missions conference of one of our Missionaries in Altamira, MX. It was wonderful to see this new church so excited about missions.

October started with a wonderful visit from our children and grands from Toluca, MX. They visited with us a few days on their way to Georgia for a Conference. Then they returned at the end of the month to attend a Conference with us at Maranatha

Baptist Church where our son Joshua is a member. The close of the service proved to be the highlight as the church held a Commissioning service and prayed over our son Joshua sending his out as a missionary!
