CHURCH-PLANTING MISSIONARIES TO INDONESIA

Dear Fellow Laborers,

July/August 2023

Happy Independence Day to my American and Indonesian friends! Indonesia's Independence Day is August 17, 1945. We love both countries. We also know that the hope for each individual in every country is salvation through Christ alone. We pray for you all serving in America. Please continue to pray as we minister here. Here to the left, Bro. Ibrani shared some about Indonesia's history and how we can continue praying for this country. He serves in the Indonesian government. I appreciate his ministry in helping us with our church plant and the light he is in his day-to-day life. Please pray for Indonesia as they have presidential elections next year.

We continue to rejoice over opportunities to share God's Word with people in our community. Pray as Elizabeth begins a Bible study with Yulis, and I continue to reach out to her husband, Norden. Jens and Gina continue in language learning. We love to see how we can help turn their language-learning conversations toward the Gospel. Pray for them as they continue to learn language and culture.

Elizabeth and I enjoyed celebrating our twenty-second wedding anniversary. What a joy to have a Christian marriage. **A big happy birthday to our two youngest children, Olivia and Joseph.** Thank you for the cards and notes! We are so thankful for our three children. Pray for Olivia, as she has had some health issues. We praise the Lord that she has started feeling much better this past week. **Pray that she continues feeling well and that her immune system improves.** You all mean so much to us as we serve our King together.

Reaching Indonesia for Christ,

Josh, Elizabeth, Hannah, Joseph & Olivia Ewing
