Dear Brother,

Greetings in our Lord's name.

For so many, 2021 turned out to be another challenging year. Sickness, heartache, loss of loved ones has caused many to cry out to the Lord for his strength, his grace, wisdom. Many have said "I have never seen anything like this in my life".

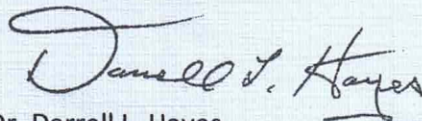

Although, it has been perplexing and confusing, God's children have his promise that he knows what's going on and that he cares and that something good will come from it!

As far as our meetings, we have watched God do wonderful things! Crowds were good, spirits were high, the singing was Christ honoring, once again several were born again and some surrendered to the call to preach or to full time service. Thank the Lord for his kindness to us!

I trust that everyone will have a wonderful Christmas and that 2022 will be full of answered prayers and victories for you.

Thank you for your prayers and support and wonderful friendship.

Yours for souls,

Dr. Darrell L. Hayes
