

# COURTNEY MATHOS TO BOLIVIA

Dear Pastors, Partners, and Praying Friends,

March 2024

## FEBRUARY IN REVIEW:

I cannot believe how quickly February passed by! God greatly blessed the ministry in Bolivia this past month! I was able to meet with two young ladies several times during the month for discipleship. I love to see how they are learning more about God and to see Him working in their lives and hearts. **Please pray for these young ladies, that they will continue to grow in their understanding of the Bible and that God would continue to work in their lives.**

To start off the month, we had our monthly ladies meeting at the church in Chiquicollo. There were about 15 ladies that attended. We are doing a book study this year with the ladies about the lies that we believe as women and the truth that will set us free. We did a canvas painting and focused on Galatians 5:1 and how Christ has set us free. **Would you pray for the ladies in the church, that as we learn more about God's truth, they will be set free from the lies that they have been believing?**

In February, we also had a Ladies Retreat, with all four churches in the ministry in Bolivia. There were many wonderful lessons on different areas where we can focus on in our lives and walks with Christ. I was able to teach a class for the single ladies on the importance of self-discipline in our Christian lives. **Please pray the women in the churches here in Bolivia.**

I was also able to make a quick trip back to the States at the end of the month. I am so glad that I was able to attend the Abide Conference held at Vision Baptist Missions. It was a wonderful day, where I was able to glean from the Word of God and be refreshed from the different teachings and filled with fellowship from other ladies and missionaries. I also visited my home church and updated them about the ministry in Bolivia. Despite being sick for the whole trip, God blessed with a much needed time of rest as I visited my family and was able to reconnect with people I haven't seen in awhile.

## COMING UP IN MARCH:

Coming up this month, we will be celebrating Father's Day with a cook out at the church for the men, and at the end of the month we will be having a special movie night for Easter. **Thank you so much for all of your prayers for the ministry here in Bolivia! I am so blessed to be apart of the ministry here, and that is only possible through your faithful prayers.**
