Pastors and Praying Friends,

The first two months of this year have been busy with many activities, but we count ourselves blessed to see the progress in Uttaradit Baptist Church. All of us are in good health and working diligently in the schooling of the children. Four children in four different grades creates a hefty workload for everyone. David and the two girls (high school age) do the schooling at the church allowing for David to concurrently do the work of the ministry. Jessi and the two boys do school at home allowing Jessi to tackle the mountain of laundry and cleaning. Please pray that we can keep diligent in the necessities of life and ministry.

The first Sunday of this year we started holding services on the first floor of the church building. I have been working over the last several months to get it ready. In December, we finally had the money saved to add a front glass wall and finish the meeting room. We had our highest ever attendance that day. Since then we have had visitors join us for Sunday services. One of these visitors was able to introduce us to a local print shop that helped us produce our first church tracts. The spirit in the services has been great, and there have been more children coming. Keep praying that God will bless the outreach.

Our first service in the new sanctuary. Please pray that God will provide money for A/C as the temperatures will be in the 100s soon.

In late January, God allowed us to go to a Southeast Asian missionaries retreat in Bangkok. It was four days of fellowship, preaching, singing, and eating that refreshed our souls and charged our batteries for serving God. David got involved and led the music throughout the retreat, and the children blessed us with special music. I, David, have been told that I have earned this responsibility next year. I also had time to spend with two of my mentors from my college days. Please pray that God would use the challenges that we heard to stay faithful in reaching the Thai people.

We can never thank you enough for your faithful prayers and support,

David, Jessica, Joanna, Lilian, John, and Judson Vickers
