Leo is Getting Baptized!

Do you remember Leo? He is getting baptized on the 24th of March! As you may recall, in October, Leo made a profession of faith during a Bible study that he organized in a coffee shop with his friends. When Vision and I first met Leo, he claimed to be a Christian but felt something was missing in his life. Throughout our Bible studies, we discovered that

Leo's faith stemmed from repeating what he was told, rather than from a relationship with Jesus Christ.

For about five months, we met weekly to read the Bible, and Leo faithfully attended church every Sunday. God's Word opened Leo's eyes to what accepting Christ as his Savior truly meant. He later shared that he hadn't understood his sin problem and how it prevented a relationship with Christ. We've witnessed a transformation in Leo as he was convicted of his sin and became burdened for his family members to know Christ as their Savior too.

We are excited that he desires to obey the Lord through believer's baptism and are looking forward to what the Lord will do in Leo's future! Please keep Leo in your prayers. Pray that his family will attend his baptism and hear a clear presentation of the Gospel. Also, pray for Leo as he grows in maturity in Christ.

Prayer Requests for Salvation

Since arriving in Taichung, we have been reading God's Word with many people, most of whom have become our friends. We've welcomed them into our home, shared meals, and supported each other through struggles and pain. Our hearts break for them, and we've been pleading with God to replace their hearts of stone with hearts of flesh. Would you join us in prayer for the following individuals? We hope the Lord uses His Word to convict them of their sins, leading them to seek His forgiveness rather than turning away.

Their names are:

- Zack: Zack has been studying the Bible with Adam for almost 5 months and has started driving 45 minutes on Sundays to attend our church services.
- YaoHong: YaoHong is the gentleman Adam has been seeing for back therapy. Initially, YaoHong read the Bible with Adam after sessions, but he stopped after his wife was diagnosed with cancer, believing the gods were punishing him for reading the Bible. Please pray for him and his wife.
- BingJie: BingJie has been reading the Bible with Ashley for 5 months but does not yet grasp the seriousness of her sin.
- ChongJie: Vision has been reading the Bible with and discipling ChongJie for a few months. ChongJie is increasingly curious about Christ.

Thank you all so much for your support! Your prayers are being heard. May the Lord bless you as you serve Him where you are!
