Baldwin, FL 32234

God has been good these final two months of 2023. Tammy and I celebrated birthdays in the month of November. On my birthday I received a cake from our people and some gifts from the children. The church ladies gave Tammy a cake and some gifts. We are very grateful for the love that was shown to us.

The older I become I understand more and more James 4:14, "Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away." Time is short and we need to do our best for God while we can.

Although I had to teach English on Thanksgiving day, we celebrated with some friends that evening. We are very thankful for all those that pray and support us. We are thankful for those we serve and serve with. We are thankful God uses us even though we certainly do not feel worthy to be used.

December was packed as always. First, Charlie celebrated his 17th birthday on December 1st. We held a birthday party for him and a lot of the teens and their families came. It was a great time of fellowship for Charlie. Second, We had our children's Christmas party. The children enjoyed food, games, and a Bible lesson. We also had a Christmas party for our teens. Ulemj and Eebee are doing a great job helping us with the youth group. They are expecting their first child soon. Please continue to pray for them and God's plan for their life. The final two Sundays in December we had one service each Sunday. On the 24th we celebrated Christmas together. Bro. Cameron Schmutzler preached and we had food and fellowship together. Then on the 31st, we had an early service because the Mongolians spend the day together with family. For the first time, I delivered my sermon in Mongolian. My sermon was prepared and translated. I then read my sermon. I still have a long way to go, but I am thankful for every little bit of progress in the language. After the service, our family was invited to one of our member's apartment. This lady and her daughters had moved into their new apartment after a two-year wait. They are very excited and thankful. Please continue to pray for Khan-uul Baptist Church to do more for Christ in 2024.

Faith Baptist Bible College finished our fall semester in December. We are in the process of planning for the spring semester which will begin at the end of January. Please continue to pray for this ministry.

The weather has been very cold. We have experienced temperatures in the low -30s. Although the weather is cold, we are asking God for warm, receptive hearts to share God's love with.

Thank you again for your prayers and support.
