

Wilkerson Family *To Mozambique*

Dear Pastors and Partners in Ministry,

March 2024 Prayer Letter

Tickets Purchased!

We wanted to fill you in briefly and update you regarding our departure date. As you know, we already have visas to Mozambique, praise the Lord! The Lord worked in ways that only He could during this process but long story short, we have visas in hand. God is worthy to be trusted. Noah and Tristan were able to have a good meeting with the South African Consulate in New York City last week. This meeting was for visas for South Africa. If accepted, this will allow our family to have visas to both countries and will be a huge answer to prayer for Alainey's well being. **We have purchased tickets to leave for Africa as a family on March 28th!** We are very excited and thankful. We anticipate receiving our visas to South Africa this week or early next Lord willing. Would you pray with us as we work through the details and preparation of this move? We couldn't do what God has called us to without you. Many of you have been with us step by step and we are very grateful.

Intensive Training and Church Plant Missions Conference

Months ago I got in contact with a veteran baptist missionary to Mozambique. He and his wife spent nearly twelve years in a city called Beira, located central Mozambique. God greatly used the Hart family for His glory during this time. We set up a meeting for myself and two teammates to learn from this family. He is now pasturing a church Kansas City, Missouri and we spent nearly 3 days of training, learning and preparing for ministry from this seasoned and wise man. We are very grateful for this time of preparation and equipping. We believe our ministry in Mozambique will be helped because of this time!

Also in Kansas City, Noah had the opportunity to be with Fountain City Baptist Church. This church plant is young and was started last year by Pastor Bryan Shaffer. Fountain City had their first missions conference. **Several new converts are being baptized, discipled and excited about world evangelism.** It is thrilling to see new church plants happening in the US with their focus set on reaching the world with the gospel. We must remember that God is still working, we are on the winning side!

Looking Forward

Alainey is doing very well with the G-tube transition. We are thankful that she is beginning to put on some weight! She is a sweet little girl with a content spirit. We know God has big plans for her. As we embark for this new journey in Africa and reflect on all God has brought us through, we herald the lyrics to of the famous hymn, "Great is thy faithfulness, morning by morning new mercies I see, all I have need of thy hath provided, Great is thy faithfulness, Lord, unto me"

Your Missionaries, The Wilkersons
